🌐 <https://www.linkedin.com/in/andrei-jose-leonor/>

A Computer Engineering graduate with a strong foundation in software development, web programming, and database management. Proficient in JavaScript, Django, HTML, CSS, and Python, with hands-on experience gained through internship and coursework such as Harvard University's CS50. Enthusiastic about applying problem-solving skills and technical expertise to real-world challenges. I am committed to continuous learning and professional development in the tech industry.

Experience

Cloudswyft Inc. - Student Intern

Feb 2023 - May 2023

- Evaluated and ensured the quality of jQuery, Node.js and Angular courses, providing feedback for improvements.
- Managed and updated course materials to ensure they are current and relevant.
- Created and maintained documentation for course content and updates.
- Worked with course instructors and developers to enhance course content and delivery
- Conducted regular checks to ensure all course content meets educational standards and learning objectives.

Education

Batangas State University

2019-2024

- Bachelor of Science, Computer Engineering
- Implemented machine learning and embedded systems specifically arduino and YOLOv8 due to the Thesis Prototype Making

Certifications

CS50's Web Programming with Python and Javascript

March 2024

- Acquired skills in HTML, CSS, JavaScript, Django, and SQL, enhancing full-stack web development capabilities.
- Achieved certification in web development, demonstrating proficiency in both client-side and server-side programming as well as database management.

Building Functional Prototypes using Node.js

April 2023

- Developed a web app service using Node.js
- Deployed a web app on Azure.

Skills

- Python
- HTML, CSS
- JavaScript, jQuery
- Django, SQLite
- Database Management
- Embedded Systems
- Machine Learning
- 3D Modeling
